

Hamill Mausoleum

Gable-fronted gothic revival mausoleum incorporating remembrance chapel built 1905. Rectangular in plan with steps to the north descending to subterranean tomb. Steps to the east ascending to remembrance chapel. Rusticated walls punctured to the north, south and west with lancet windows having stained glass. Pointed-arched doorway to the east elevation with hood stone having carved figure heads. Wrought-iron gate. Steeply pitched roof with cross finial. Barrel vaulted ceiling to interior of chapel with a small altar.
